

David Wilkinson, MD, PhD

APC Senior Fellow Since: 2013

Email: david.wilkinson@vcuhealth.org

EDUCATION

Undergraduate Degree: BS, Chemistry, Virginia Military Institute, 1967. **Graduate/Professional Degree:** PhD, Experimental Oncology and Pathology, U of Wisconsin, 1971; MD, U of Miami, 1978. **Postgraduate Education:** Anatomic and Clinical Pathology, Walter Reed Army Medical Center, 1982. **Board Certification:** Anatomic and Clinical Pathology, American Board of Pathology, 1982.

SERVICE

Service as Pathology Chair: Virginia Commonwealth University, 1993-2013. **Leadership Roles Before, During, and After Service as Chair:** Chief of Clinical Pathology, 1982-1984, Eisenhower Army Medical Center; Director, Division of Clinical Pathology, 1984-1992, George Washington University; Interim Medical Director, 1992-1993, The George Washington University Hospital; Medical Director, Medical Technology Program, 1986-1993, The George Washington University; Chair of Pathology, 1993-2013, Virginia Commonwealth University; Director of Pathology Training, 2005-2008, Virginia Commonwealth University; Director of Molecular Genetic Pathology Fellowship, 2008-2014, Virginia Commonwealth University; Lab Director, 2003-present, PPD Inc; Lab Director, 2012-present, Eastern State Hospital; Chair, Coding and Reimbursement Committee, 2015-2018, AABB; Chair, Pathology Coding Caucus, 2005-2016, AMA/CAP; Chair, Government Relations Committee, 1993-1997, ASCP; Chair, Practice and Management Committee, 2001-2003, APC; President, 2004-2006, APC; Member, Board of Directors, 1991-1997, Clinical Laboratory Management Assoc; Chair, Quality Practices Committee, 2008-2009, CAP; Chair, 2008-2011, Intersociety Committee on Pathology Information; Board of Trustees, 2000-2010, Richmond Academy of Medicine; Board of Directors, 1995-2005, Virginia Blood Services; President, 1998, Virginia Society for Pathology; Board of Directors, 2013-2017, World Association of Societies of Pathology and Laboratory Medicine. **Other Academic Positions After Service as Chair:** Director of Pathology Training, 2016-2019, Virginia Commonwealth University; Associate Director of Transfusion Medicine, 2013-2018, Virginia Commonwealth University.

AREAS OF PROFESSIONAL INTEREST

Research: Biochemistry of neoplasia and antineoplastic agents. **Clinical:** Therapeutic drug monitoring (clinical); Molecular diagnostics (clinical). **Educational:** Environmental pathology (medical and dental students); Laboratory management (residents and fellows); Transfusion medicine (residents and fellows). **Mentoring:** Leadership (faculty and trainees). **Current Interests:** Transfusion medicine; Molecular diagnostics; Mentoring faculty and trainees.

ACHIEVEMENTS

Honors and Awards: Distinguished Service Award, CAP, 2011; Distinguished Service Award, APC, 2017; Saul Kay Faculty Teaching Award, VCU, 2018. **Professional Achievements of Which You are Most Proud:** Updated clinical pathology service and teaching at George Washington Univ; Created Division of

Molecular Diagnostics at Virginia Commonwealth Univ; Established one of the first ACGME accredited fellowships in Molecular Genetic Pathology at VCU; Established a Clinical Pharmacokinetics Consultation Service at George Washington University; Supervised and mentored over 400 pathology residents and fellows over 40-year career.

OUTSIDE INTERESTS

Hobbies: Model railroading; Golf; Biking. **Volunteer Activities:** AMA RVS Update Committee; CAP Economic Affairs Committee; Richmond Academy of Medicine Legislative Affairs Committee; Medical Society of Virginia Delegate to Annual Meeting; Selection Committee, VCU School of Medicine.
