

Stanley Robboy, MD

APC Senior Fellow Since: 2011

Email: stanley.robboy@duke.edu

EDUCATION

Undergraduate Degree: University of Michigan (1958-61).

Graduate/Professional Degree: University of Michigan, MD (1961-1965). **Postgraduate Education:** Intern, Mt Sinai Hospital, Cleveland, OH (1965-66). Resident in Pathology, Massachusetts General Hospital, Boston, MA (1966-1970).

Board Certification: American Board Pathology, Anatomic & Clinical Pathology (1970); American Board of Medical Management (1990).

SERVICE

Service as Pathology Chair: New Jersey Medical School, Newark, NJ (1984-1989). **Other Academic Positions After Service as Chair:** President, College of American Pathologists (2011-13). Trustee, American Pathology Foundation (1984-84); President, Arthur Purdy Stout Society of Surgical Pathology (2003,05).

AREAS OF PROFESSIONAL INTEREST

Research: Unraveled diethylstilbestrol story & link to development of vaginal cancer in exposed daughters; Vaginal embryology; Experimental model for development of DES-linked vaginal anomalies; Neoplastic lesions arising from ovarian struma; Endometrial intraepithelial; Neoplasia classification; Computer assisted pathology encoding and reporting system (CAPER). **Clinical:** Gynecological pathology; Laboratory Information Systems; Automated spatial biology systems. **Educational:** Residency program director (1986-1989). **Mentoring:** Extensive young faculty mentoring (1992-2022).

ACHIEVEMENTS

Honors and Awards: Commendation Award for Research, US Army (1972); Foundation Prize, American College of Obstetricians & Gynecologists (1973); Gubernatorial appointment, New Jersey Commission on Cancer Research (1987); 1st Prize, Basic Oncology Research Award for best Resident Research Paper, Oncology Society of New Jersey & American Cancer Society, NJ Division (Advisor) (1988); Gubernatorial appointment (Thomas Kean and James Florio), Commissioner, New Jersey Commission on Cancer Research (1990) Marquis Who's Who in America, 57th & subsequent editions (2002); Marquis Who's Who in the World, 21st and successive editions (2004); Sara & Mutt Evans Award for Outstanding Community Service, Durham-Chapel Hill (2005); President's Award, College of American Pathologists (2005); America's Top Physicians, Consumers' Research Council of America (2007); Honorary Fellow, Association of Affiliated Pathologists, New Delhi, India (2011); Honorary Fellow, Faculty of Pathologists, Royal College of Physicians of Ireland (2012); The Honorable Order of Kentucky Colonels, by Governor Steven L Beshear (2012); Honorary Fellow, Royal College of Pathologists, United Kingdom (2012); 2014 CAP Pathologist of the Year Award, College of American Pathologist (2014); The Pathologist's 2015 Powerlist of Most

Influential Laboratory Medicine Professionals (2016); Albert Nelson Marquis Lifetime Achievement Recipient (2018). **Professional Achievements of Which You are Most Proud:** Development of the first system for computer assisted pathology encoding and reporting system (CAPER) in a University anatomic pathology division; Unraveled the diethylstilbestrol story focusing on, the clear cell cancer and its variants, pathogenesis, associated genital structural anomalies and benign histological accompaniments, treatment, pathogenesis, embryology of, laboratory models, athymic mouse model to testing drug safety prenatally; Disseminated intravascular dissemination (DIC): Pathology, theory, and treatment; Endometrial Intraepithelial Neoplasia: Theory, Histology, and Classification; Ovarian carcinoid and Malignant struma ovarii, pathology and variant types.

OUTSIDE INTERESTS

Hobbies: Biking.
